Country	United States
Agency	Department of State
DoS Office	IRM/BMP/EDIP/KLD
Post	N/A
Section	N/A
Number of Interns	2

Project Description

The HR/ER/WLD office is looking for a mobile application developer to make CFC contributions accessible by a smartphone. The website application would be used for DOS employees and contractors to easily donate money on their smartphone to the CFC (Combined Federal Campaign) from any location at any time. Here are a few features we would like to have on our app: User Friendly, Easy Step by Step Process, Can donate any dollar amount, Links directly to DOS CFC Undesignated Contribution fund

Desired Skills Interests

Skill
App development
Web Development
Mobile website integration

Additional Information

The application will not be built for an app store or a specific phone, instead it will be made into a website that is specifically meant for a smartphone.

Language Requirements

None
